PETS. Pet restrictions vary at each community. If you have pets, please see your leasing professional for more information.

Rental Scoring & Your Rental Application

We rely upon a “Rental Score” to estimate the relative financial risk of leasing an apartment to you. In addition to estimating risk, rental scores are an objective and consistent way of reviewing relevant applicant information, and help speed the application approval process.

How is my rental score determined?

Rental scoring systems assign points to certain factors identified as having a statistical correlation to future financial lease performance. Your rental score results from a mathematical analysis of information found in your credit report, application data, and previous rental history. Such information may include your bill-paying history, the number and type of accounts you have, collection actions, outstanding debt, and the number of inquiries in your consumer report. The final number, or rental score, represents an estimated level of risk as compared to the performance of other consumers in a range of scores.

Because your rental score is based upon real data and statistics, it is more reliable than subjective methods of evaluating your information. Rental scoring treats all applicants consistently and impartially. Additionally, your rental score never uses certain characteristics like-- race, color, sex, familial status, handicap, national origin, or religion as factors.

What can I do to improve my rental score?

Your rental score may change based upon changes of the underlying information. The total improvement, however, generally depends on how that factor relates to other factors considered by the scoring system. Nevertheless, to improve your rental score, concentrate on paying your bills on time, paying down outstanding balances, and not taking on new debt.

NOTIFICATION OF DENIAL OR CONDITIONAL APPROVAL

You have a right under the Fair Credit Reporting Act to a free copy of your consumer report from CoreLogic SafeRent, LLC, the reporting agency used by South Oxford Management to evaluate your background information if the request is made no later than 60 days after you receive notification of a denial or conditional approval. In evaluating your application, information obtained from or through CoreLogic SafeRent, LLC, which may include credit information or consumer information from one or more of the credit bureaus or consumer reporting agencies, may have influenced South Oxford Management decision in whole or in part. **These consumer-reporting agencies and/or credit bureaus DID NOT make the decision to take adverse action and are unable to provide specific reasons why adverse action was taken.**
